About Our Company

It gives us immense pleasure to introduce STC Travels, a fourth-generation transport business and one of the oldest in this region. Over the decades, we have grown into a trusted name in the transportation sector, catering to diverse needs.

We offer a comprehensive range of transportation solutions, including:

- Truck Trailers for heavy logistics.
- Buses, including 35-seater air-conditioned options.
- Passenger Vehicles like Maruti Suzuki Ertiga (Petrol/CNG), Innova Crysta, Swift, Swift Dzire, and Sumo Gold.
- Eco-Friendly Fleet, featuring electric vehicles (EVs) tailored to meet sustainability goals.

Currently, we operate a fleet of 750 cabs serving renowned organizations such as EXL Services (Past 25 years), MetLife, Genpact, Corrohealth, Headstrong, ACS Solutions, and Ameriprise Financial, with operations spanning NCR and across India.

Our Company Vision & Mission

To be India's leading corporate transportation provider, setting benchmarks in safety, innovation, and eco-friendly practices while driving the future of employee commutes.

Why Choose STC Travels ?

Safety First:

- Regularly maintained vehicles with safety audits.
- Experienced and verified drivers.
- Adherence to all government transportation guidelines.
- GPS devices are fitted in all cabs for real time tracking.
- Electronic Speed Governors to check for over speeding.
- Panic buttons are fitted in each cab for emergency situations.
- Fire extinguishers and First Aid kits would be standard across all cabs.

Punctuality Guaranteed:

- Stringent scheduling to avoid delays.
- Smart route optimization for efficiency.

Cost-Effective Solutions:

- Competitive pricing tailored to your requirements.
- Value-added services at no extra cost.

Sustainability Initiatives:

- Eco-friendly vehicles to reduce carbon footprint.
- Commitment to green practices in transportation.

Our Fleet

- **Sedans:** For small teams and executive-level employees.
- **SUVs:** Ideal for challenging terrains and larger groups.
- **Mini-Buses and Coaches:** Perfect for medium to large-sized teams.
- **Eco-Friendly Options:** Electric and hybrid vehicles available on request.

• **Delhi • Noida • Gurgaon • Pune • Hyderabad • Mumbai**

Client Benefits

Employee Satisfaction:

- Reliable transportation enhances employee morale and productivity.
- Stress-free commuting ensures employees arrive fresh and ready to work.

Cost Savings:

- Reduced operational overhead with affordable and transparent pricing.
- No need for in-house fleet management.

Improved Efficiency:

- Minimized absenteeism due to convenient transport.
- Streamlined operations with advanced technology.

Our Commitment to Sustainability

At STC Travel, we take our responsibility towards the environment seriously. Our extensive fleet of electric vehicles (EVs) helps companies reduce their carbon footprint and align with Corporate Social Responsibility (CSR) goals. By choosing STC Travel, businesses can:

- **Lower Emissions:** Reduce greenhouse gas emissions with eco-friendly transportation.
- **Support Green Initiatives:** Contribute to sustainability programs and eco-friendly corporate policies.
- **Enhance CSR Compliance:** Meet environmental and CSR commitments while providing employees with safe and reliable transport options.
- **Future-Ready Solutions:** Invest in sustainable mobility and a cleaner, greener future.

Our commitment to green transportation ensures that businesses not only meet compliance requirements but also actively contribute to a sustainable future.

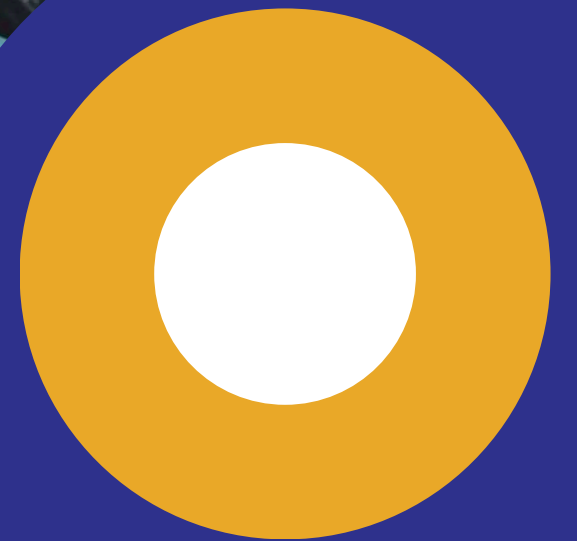

Ensuring Women's Safety

At STC Travel, we prioritize women's safety in corporate transportation, ensuring a secure and comfortable commute for female employees. Our initiatives include:

- **Verified & Trained Drivers:** All drivers undergo background checks and extensive training in safety protocols.
- **Real-Time GPS Tracking:** Employees and employers can monitor routes for added security.
- **Dedicated Emergency Helpline:** 24/7 support for any emergency situations.
- **Safe Pick-Up & Drop Points:** Strategically designated pick-up and drop locations in well-lit and secure areas.
- **Panic Button in Vehicles:** Instant emergency response mechanism in every cab.

By choosing STC Travel, corporate organizations can foster a safer, more inclusive work environment while ensuring peace of mind for female employees and their families.

Crisis Management Plan

At STC Travel, we understand the importance of uninterrupted transportation services, even in times of crisis. Our Business Continuity Management Plan (BCMP) ensures seamless operations and mitigates potential disruptions through:

- **24/7 Emergency Support:** A dedicated crisis management team available round the clock.
- **Backup Fleet:** Additional vehicles on standby to manage emergencies or sudden demand surges.
- **Alternative Route Planning:** Pre-mapped alternative routes to avoid delays due to unforeseen circumstances.
- **Real-Time Monitoring & Alerts:** Advanced GPS tracking and instant notifications to proactively manage disruptions.

By implementing these strategies, we ensure reliability and safety for our corporate clients, maintaining seamless business operations under all circumstances.
